In Loving Memory

Peer Pedersen (1925 – 2013): In Peer Pedersen's passing, Chicago lost a great business and civic leader; Boys & Girls Clubs of Chicago lost a dear friend, advocate, and partner. Peer exemplified the character and values Boys & Girls Clubs of Chicago strives to instill in the children and teens in our Clubs every day. He was a tireless champion of our members and most generous in supporting our work in Clubs across Chicago. Though we will miss his leadership and friendship of more than 40 years, his legacy will continue to shine in each and every young person who walks through our doors for years to come.
